BAJAJ INDUSTRIES is a 30 years old organization.

Initially, we started by manufacturing a range of pins. Over the years, we have expanded our operation to the entire gamut of Pins and Pinned products as well as several other products, in the process becoming a complete solutions provider.

Currently, we are engaged in manufacture of a range of Textile Pins, Pinned products and Textile machinery spares and accessories.

Our customer range includes reputed Textile Mills, OEM's, and reseller's across the globe. Our quest has been to offer complete solutions to our customers. The products made by us are well-known for their high functionality, high quality, effectiveness and handiness.

We strongly believe that your contacting to us for any of your requirements will lead us into a fruitful and faithful business relationship & will do our best to be highly beneficial for you and your business.

OUR INTERNATIONAL PARTNER
